1. Overview

1.1 Background

The KidSport Voucher Program is an initiative of the Western Australian State Government to support children aged 5 to 18 years of age (inclusive) from low-income families and at-risk groups to participate in community sport. The KidSport Voucher Program subsidises participation costs by providing \$300 per financial year to each eligible child to join a KidSport Club.

The KidSport Voucher Program is administered by DLGSC with the support of Western Australian local governments.

1.2 Primary objective

The DLGSC strongly advocates involvement in community sport, not only for its physical benefits, but also the positive impact it has on the mental and emotional wellbeing of the community.

The primary objective of the KidSport Voucher Program is to reduce the financial barrier of participation in community sport for low-income families.

2. Voucher applicants

KidSport Voucher Program funding can only be accessed via approved KidSport vouchers. Vouchers should be applied for, and obtained prior to, registration at [KidSport Clubs](#) (being the only organisations where the vouchers are accepted).

2.1 Applicant's responsibilities

The parent or guardian of a child is required to complete the application for a KidSport voucher on the child's behalf. A representative of the child may assist with the KidSport Voucher Program application process, with the full consent of the parent and or guardian.

Applications will be assessed by the applicant's local government of residence or by DLGSC to confirm the child's eligibility and funding available within the voucher round, subject to available funds.

Applicants will be required to submit proof of child eligibility at the time of application.

To apply for a KidSport voucher, an applicant is required to:

- a. Confirm the child's eligibility;
- b. Complete an application form for and on behalf of the child;
- c. Acknowledge and accept the [KidSport Voucher Program Terms and Conditions](#);
- d. If approved, supply the child's KidSport Voucher Code to the KidSport Club upon registration.

2.2 Eligibility

To be eligible for a KidSport voucher the child must be:

- Aged 5 to 18 years inclusive at the time of application; and
- Residing in Western Australia; and
- Named on a parent's or guardian's valid Services Australia Health Care Card or Pensioner Concession Card, with the child's unique Customer Reference Number (CRN) visible; or
- Named on their own valid Services Australia Health Care Card or Pensioner Concession Card, with their own unique Customer Reference Number (CRN) listed on the card.

Where a child does not meet the above criteria, the family may be eligible to access KidSport through a Special Consideration application as outlined in clause 5.0.

2.3 KidSport vouchers

Eligible children may access up to \$300 worth of KidSport vouchers per financial year.

KidSport vouchers can be used as payment towards registration, membership or participation fees at a KidSport Club. Where the nominated KidSport Club has opted in, vouchers may also be used for uniform and equipment costs.

KidSport vouchers are subject to the following conditions:

- Vouchers are valid for 90 days from the date of issue. Extensions are at the discretion of DLGSC.
- Vouchers can only be redeemed at a [KidSport Club](#).
- Rebates or reimbursements will not be paid by DLGSC to any parent and or guardian.
- KidSport vouchers are non-transferable. Funding may only be used for the child named on the approved voucher.
- An approved voucher may be cancelled at any time by DLGSC if the parent, guardian and/or child is found to be in breach of this Policy and Guidelines.

KidSport funding may be used to cover the costs of uniforms and equipment where:

- The KidSport Club named on the voucher has opted in to accept vouchers for these items.
- Items are purchased directly from the KidSport Club named on the voucher.

2.4 Refunds

In no circumstance can the KidSport Club provide a monetary refund of a KidSport voucher to the child, parent or guardian. Funds should only be exchanged between DLGSC and the KidSport Club.

KidSport voucher refunds for fees may only be considered for extenuating circumstances in accordance with the [Refund Guidelines](#).
