1. For members under 18 years of age, the Guardian **MUST** remain to supervise their child throughout the day at Pony Club events (including rallies and trainings). Should the guardian not be able to remain on the grounds on a particular occasion another PCWA Insured adult must be appointed to supervise the child. Transfers of responsibility forms are available. If there is no adult supervision the child **WILL NOT BE PERMITTED TO RIDE**.
2. Should a rider miss 3 rallies without giving notice to the Chief Coach, without a reasonable excuse their membership may be cancelled without a refund to enable any wait listed members to join.
3. Enrolment signifies acceptance of the rules and constitution of the Orange Grove Horse and Pony Club and guidelines as set out in the Clubs Handbook.
4. A riding member or family must complete a minimum of **4 rosters** throughout the year. **three** of which must be at Club Event Days. Rosters are either AM or PM slots. Remember that if you do not complete 4 rosters then you may forfeit membership as well as your roster levy. Rosters can include jobs like pencilling, gear checking, marshalling, canteen duty, and setting up the day prior to an event and even assisting with the actual organization of the day. (Please note these duties are separate to any helper duty requirement associated with rider participation at an event day). Also note set up & pack up at rallies, does not count as rosters. All participating members are to help with these duties at all Rally Days.
5. By signing this form you also give consent and authorisation for the child/children on the enrolment form to be photographed during pony club events both at the Orange Grove Horse and Pony Club grounds and when representing the Club at events held at other venues.
6. Under PCWA guidelines a guardian “person responsible” must be noted on membership forms & be a financial member of the club for members under 18 years of age. This person is responsible for the rider and their mount for the current pony club year.

By Signing hereunder I/We confirm having read and understood and agree to the contents of this enrolment form.
