Welcome to Orange Grove Horse & Pony Club!

August Rally

It was great to hear that so many members attended our make up rally after cancelling our original date due to safety reasons with the weather. It looked like our riders had great fun going out on trail rides and making use of the cross country course. What a busy month we had with our members representing the club at our recent series event, state dressage championships and active riding qualifier.

Achievements!

Huge congrats to:

- Tatum Hand for having a good crack at cross country
- Hailey Snyman for placing 3rd at the Series in the 30cm SJ class
- Suné Synman for riding your first freestyle at the PCWA State Dressage Championships
- Mia Peterson for having a confidence boost and not giving up in her show jumping round despite her pony being a naughty little toad on the day
- Hailey Snyman for riding Mickey at rally after your pony Inca was unwell
- Suné Synman for lending your pony Mickey to your sister so she could have a ride
- Taliah Quinn for riding with Suné in the Wanda Nelson class at the PCWA State Dressage Championships

Well done to all riders 😊

PCWA State Dressage Championships

On the 15th and 16th of August, Orange Grove HPC was lucky enough to be represented by seven of our talented riders at the PCWA State Dressage Championships held at the State Equestrian Centre. These riders were: Madison Kain, Sunè Snyman, Taliah Quinn, Teagan Christie, Sarah Little, Harmony Dumbreck and Alyssa Scott.

Sarah Little

This was my first state dressage and definitely an event I'll be doing again next year. I rode two tests on Jack over the weekend. A novice 2b with the plunkett team on Saturday, which we placed in the top half of riders. And a novice 2c with the metro zone team on Sunday. Jack worked really nicely in both tests to get us two personal best scores

Madison Kain

I did my first dressage champs on Barney at the State Equestrian Centre. I competed in two non-championship tests because I wanted to see what it was all about so next year I can qualify to do a lot more. Barney and I did the under 10's Prix Caprilli test (dressage test with jumps) and the under 10's Prep E test. I was so nervous having to remember two tests but I did and I even got a 2nd place in my prep test. I had so much fun watching everyone and hanging with my friends and I can't wait to do it next year.

Teagan Christie

Digby was a very good boy the whole weekend. I was very happy with our first test on Saturday for the Plunkett which was the Novice 2c. We ended up getting 10th out of a big class in the 17-24 age group. On Sunday we were in the Zone team (metro) and in the Stuart Harkness with Harmony. In the zone team challenge we did another Novice 2c test wasn't as good as the one I did Saturday as the conditions were pretty sloppy, but I was still very happy. Our team came 1st and I came 1st individually. Harmony and I did our Stuart Harkness and they behaved very well in the ring. We ended up coming 6th overall in this!! Was a great weekend

PCWA State Active Riding Qualifier

On the 2nd of August, three members from Orange Grove HPC attended the PCWA State Active Riding Qualifier held at Avon Valley SJPC. These riders; Dana Greenwood, Danielle Knight and Suzy Lycholit competed in the Prince Phillip Mounted Games senior division as a composite team with two riders from South Midlands PC (Madison Fawcett and Allye Haydon)

With not being able to have any training as a team this year due to the interruptions from the COVID-19 pandemic and not knowing the remaining members of our team, we approached the qualifier as a training day and had some fun. We met our two remaining team members on the morning of the competition and quickly ran through the orders of who was going to be positioned 1st-4th and who was going to sit out of each of the races.

We raced well throughout the day, picking up a range of places and also making a few silly mistakes. We weren't too concerned as any mistakes that we did make we wanted them to happen at the qualifier where we could learn from them and beware of for the championships next month. After the completion of 12 races, the points were tallied up and we were told that we had tied for 7th place with the Wooroloo/Swan Valley composite team and had to verse them in a tiebreaker race. We tried our best but just missed out on winning the race. We ended the day placing 8th but we were surprised to learn that we were only 1 point away from 6th place and only 2 points away from 5th place. We all had a great day as a team and are looking forward to riding again at the championships on the 5th-6th of September.

In the afternoon, Dana and Danielle represented the Metro zone in qualifying for the novelties for the senior division. It was a great day being able to practice the novelties before riding it against the other zones at the championships.

What beautiful weather we had to end our fantastic series. It was great to see so many members out riding and supporting our event.

Once again, thank you to our event organisers and committee for all of your hard work this year into running these events. We know it would have been challenging with the additional and unavoidable hiccups we had along the way with COVID-19 and the weather conditions.

Thank you to all of our riders, parents and volunteers for supporting our event

If you haven't already don't forget to visit Vickiphotos for photos taken on the day.

What a great year we have had and look forward to its return in 2021 😊

Go for 2&5 Virtual Canteen Competition

Well done to Madison Kain for entering the Go for 2&5 Virtual Canteen Competition but also winning the competition. By winning the competition, Madi was awarded an additional 500 points that will be added to our club's total for the Pony Club WA Go For 2&5 Race Around The State.

For this task, Madi had to come up with a menu that included nine food items that are considered green (5), amber (3) and red (1) items. With green being foods that are the best choices because they are the healthiest items, amber being foods that you should eat in moderation and red being foods that are not essential because they are unhealthy.

We are incredibly proud of your hard work Madi and we cannot wait to hear what exciting items you have created on your menu.
