Welcome to Orange Grove Horse & Pony Club!

Welcome!

Once again we had some amazing weather for our July rally. It looked like our members had a great morning with some of our older riders having a go at a Hickstead course with Matilda and all of our members trying something different with the working equitation. Thank you to Crissy from the Southern Districts Working Equitation Club for coming and showing our members what working equitation is all about! 😊

President's Report

Hello all,

Who would have thought this time last year, we would still be under the difficult covid conditions and way of life that we have experienced, with terrible outbreaks over East.

We are very lucky here; let's hope it doesn't get loose in our community.

Unfortunately this means that our member's trips to the East for Nationals and Interschools are not possible, so we need to refocus our goals and look forward to different plans. I believe PC Australia are planning a virtual competition, we are yet to find out the full details. With the dates for the competition looming swiftly, it puts pressure on an already busy PCWA staff and volunteer groups, fingers crossed it all comes together ok.

Apologies for not being present at the last two rallies, I find myself increasingly having to choose either PC or EA events to attend...as we were planning to head East it was important for Teagan and Digs to compete at different ODE's.

Looking forward to seeing members at the rally this Saturday

Cheers

Nicole Christie

PONY CLUB
WESTERN AUSTRALIA

Nationals go virtual!

Originally, the Pony Club Nationals competition was meant to be held in New South Wales and was then moved to Victoria when New South Wales had an increase with COVID-19.

Given the travel restrictions caused by the COVID 19 cases being quite high in the eastern states, the PCA Board has decided to move the PCA National Championships to a virtual competition.

The program of competition will include all planned classes with one major change - Eventing will now be replaced with Combined Training.

We look forward to seeing how this competition will look!

Containers for Change Program

Orange Grove Pony Club have registered to receive donations from the Containers for Change Program

Our Club's Scheme ID is C10240496

We will have at the grounds on our Club Days (e.g. Rallies and Events) a dedicated bin where you may drop your containers in for recycling and these will be taken to a refund point for processing.

Otherwise, you can use the Clubs number "C10240496" at any refund point to make a donation towards the Club 😊

ELIGIBLE CONTAINERS

We are raising money to have a cold-water drink fountain installed at the club to reduce our reliance on bottled water.

To do this we are collecting cans and bottles for recycling through the new containers for cash scheme.

We still have a long way to go to reach our goal of \$3,200. Don't forget to keep saving those containers at home and deposit them at your nearest refund point using the club's number! 😊
