Once you select the membership it will take you to your shopping cart where you will be able to pay by card.

***If there is nothing in your cart (\$0.00) (not including Unpaid Coach) it probably means you need your credential (WWCC) approved (or your EA membership checked as in Top Up membership) and until this is done you may not be able purchase anything.***

Credentials checks are something done on a daily basis so it won't take long, and we advise you to check back in a few hours or ring the office (08 9296 1500).
